Non-Trading Operations Regulations.

Compliance with KYC and AML.

1. Purpose and Scope

1.1. These Rules of Non-Trading Operations. Compliance with KYC and AML standards (hereinafter referred to as the Regulation) is an official document of the Company and applies to the Company, all its Clients and partners.

1.2. The purpose of this Regulation is to monitor compliance with legislation in the field of combating the legalization (laundering) of proceeds of crime and the financing of terrorism, as well as the development of measures aimed at combating fraudulent financial activities.

1.3. The Regulation governs non-trading operations of the Client, incl. deposit and withdrawal procedures from the Account.

1.4. This Regulation is an integral part of the Service Agreement.

1.5. It is hereby determined that the Customer's consent to the terms of the Service Agreement is at the same time an agreement with all the provisions of the Regulations.

1.6. If the provisions of this Regulation do not comply with individual provisions of Service Agreement, the provisions of this Regulation shall apply (unless otherwise provided by the nature of the obligation). This fact does not entail the invalidity of the remaining provisions of the Service Agreement.

1.7. The text of these regulations is in the public domain and is open for review to third parties. At the same time, the Company does not inform the Clients about the measures taken within the framework of the said Regulation, except as otherwise provided by applicable law.

1.8. The Client guarantees legal origin, legal ownership and the right to use (order) the funds transferred by him to the Accounts.

2. Rights and Obligations of the Parties

2.1. The Customer undertakes to:

2.1.1. comply with the law, including international regulatory anti-money laundering, counter-terrorism financing, and anti-trafficking and financial abuse legislation;

3.1.13. If there are no signs specified in Section 3 of these Regulations, the operation may also be deemed suspicious by the Company on the basis of an analysis of such an operation, identifying its components, taking into account the circumstances of the case, information received during interaction with the Client, and other information that the Company considers sufficient.

3.1.14. If the Client's operation is deemed suspicious and / or only if there is reason to believe the operation is suspicious, the Company decides on further actions with respect to such Client (its trading terminal, individual Account) unilaterally and at its sole discretion.

4. Payment Procedure

4.1. Non-trading operations related to the deposit of the Client's Account and the withdrawal of funds by him are governed by the provisions of this Regulation.

4.2. Account deposit can be made by the Client at any time convenient for him and in any currency that the Company accepts in the country where the Client is located.

4.3. All payments (and their components) made by the Client are the responsibility of the Client.

4.4. The Client hereby accepts that in case of using outdated and / or irrelevant Company bank details when performing non-trading operations, the Company is not liable. The Client is solely responsible for familiarizing himself with the new (relevant) details of the Company posted on the Company's website.

4.5. Each non-trading operation conducted by the Clients (including the balance of the Account) is reflected in the corresponding entry in the specialized section of the Client's Trading Terminal. At the same time, the Client guarantees that he is responsible for the accuracy of such records (Account Balance) and undertakes to daily monitor their correctness and relevance. In the event that inaccuracies (errors) are found in the reflected data, the Client is obliged to immediately inform the representatives of the Company about them through the contact information posted on the Company's website. The Client has the right to send a claim to the Company in accordance with the procedure for sending such claims, as set forth in the Service Agreement.

4.6. If the Client does not perform operations, as a result of which the balance of the Client's Account is changed, within 6 (six) months from the date of the last transaction, the Company has the right to establish a subscription fee for the use of the Trading terminal and

/ or for providing access to it. The size of such a subscription fee and the procedure for debiting it are determined by the Company at its sole discretion.

4.7. All funds of the Client are stored in the accounts of the Company separately from the funds of the Company.

4.8. Information about the Customer's payments, as well as any other payment information, is transmitted by the Company via encrypted communication channels, taking into account all safety measures and standards established by payment systems and international law.

5. Crediting funds to the Client's account

5.1. The funds are credited to the Client's Account subject to compliance by the Client with the provisions of these Regulations.

5.2. The Client is entitled to perform operations in the trading terminal only at the expense of the Client's own funds credited to the Account.

5.3. Account deposit is carried out by the Client in accordance with the legally established norms (restrictions) of the country under whose jurisdiction this operation falls.

5.4. Account deposit is carried out by transferring funds to the accounts of the Company or the accounts of Payment agents authorized by the Company. The list of agents and their details are placed in the trading terminal.

5.5. The funds are credited to the Client's Account (with the exception of compensation payments) in case of:

5.5.1. receipts to the Company Account of the amount deposited by the Client;

5.5.2. returns to the Company Account the amount which was transferred to the Client earlier, but the Company, for various reasons, could not contact the Client to resolve the situation and re-send the funds.

5.6. Deposit of the Customer's account is made in the currency of the selected Account. If the account currency and the transfer currency are different, the funds are converted into the account currency at the exchange rate that was set at the time the Client made the payment. The conversion rate is set by the Company.

5.7. The currency in which the Client Account is replenished is reflected in the trading terminal.

5.8. Withdrawal of funds from the Customer's External Account can be made in a currency different from the currency of the External Account, but only in cases established by Payment Service Providers and / or the Company.

5.9. The Company has the right to regulate the amounts credited by the Client, as well as to establish the limits of such amounts (maximum and minimum), depending on the currency of crediting, the currency of the account and / or the method of payment made by the Client.

5.10. Deposit of the Client's Account (crediting of funds) is carried out within 1 (one) business day following the day of receipt of the Client's cash amount to the Company Account. If the Client's funds were not received to his Account within 5 (five) business days, the Client has the right to send a corresponding request to the Company with a request to check this payment, attaching all supporting documents. The request is made in accordance with the procedure established by the Service Agreement .

6. Deposit Methods

The company has established the following methods for deposit funds:

6.1. Bank Wire Transfer;

6.1.1. Through a bank wire transfer, the Client can deposit the Account at any time convenient for him, provided that the Company works with this method of deposit;

6.1.3. The list of documents required for the operation to transfer funds is determined by the Company unilaterally at its discretion;

6.1.4. Deposit of an account by bank wire transfer is possible only if the Client provides all the documents specified in clause 6.1.2. of these Regulations;

6.1.5. The Client undertakes to transfer funds to the bank account of the Company (reflected in the Personal Account) exclusively from his personal bank account or to make a payment without opening a bank account, but only on his own behalf;

6.1.6. The Company reserves the right to refuse to deposit the Client to the account (block the Account, refuse to service the Client or terminate the Agreement) in case of violation by the latter of the terms of this Regulation and / or the Service Agreement , in particular, but not limited to paragraph 4.14 of the Agreement;

6.1.7. The Client hereby warrants that he is responsible for the correctness of the entered payment data, incl. undertakes to verify the bank details and the purpose of the payment with the information reflected in the Individual Account. The Company reserves the right to refuse to perform a non-trading operation in the event of a mismatch between the Client's payment destination and the payment specified in the Individual Account;

6.1.8. If the Client fails to complete the operation of transferring funds to the Account, the Client must contact the representatives of the Company in order to eliminate the reasons that contribute to this;

6.1.9. The Company has the right to refuse the deposit of Client's Account if such replenishment is made on behalf of a third party. At the same time, the Company returns the funds to the account from which they arrived, with the attribution of all expenses for this operation to the Client.

6.2. Transfer from a bank card through a payment service provider;

6.2.1. Using the services of payment system providers, the Client can deposit the Account at any time convenient for him, provided that the Company works with this deposit method;

6.2.2. The transfer can be made by the Client only with a bank card registered in the name of the Client;

6.2.3. In the Client's Individual Account all types of bank cards of the international payment system are reflected from which a payment can be made;

6.2.4. The Company has the right to refuse to the Client to make a transfer through a processing center (crediting funds to the account), in case the Client violates the terms of these Regulations and / or the provisions of Service Agreement. The Company has the right to suspend (block) the execution of any operations by the Client and / or unilaterally terminate the Agreement with the Client, refusing the Client further service;

6.2.5. If the transfer was made on behalf of a third party, the Company has the right to refuse to deposit funds to the Client's Account. At the same time, the Company returns the funds to the account from which they arrived, with the attribution of all expenses for this operation to the Client.

6.2.6. The Client understands and agrees that the Company is not responsible for the timing of the payment, as well as for possible failures in the system of payment service providers and / or international payment systems, which could lead to a change in the conditions of the payment made by the Client.

6.3. Electronic payment;

6.3.1. By electronic payment, the Client can deposit the Account at any time convenient for him, provided that the Company works with this method of deposit;

6.3.2. The Company has the right to refuse to the Customer to make an electronic payment (crediting funds to the account) in case of violation by the Customer of the terms of these Regulations and / or the provisions of Service Agreement . The Company has the right to suspend (block) the execution of any operations by the Client and / or unilaterally terminate the Agreement with the Client;

6.3.3. An electronic payment can be made exclusively from the personal electronic wallet of the Client;

6.3.4. The Client hereby accepts that he is responsible for the correctness of the entered details of the Company Account during the transfer (details must coincide with the details specified in the Personal Account);

6.3.5. The Client understands and agrees that the Company is not responsible for the timing of the electronic payment, as well as for possible failures in the electronic payment system, which may entail a change in the conditions of the payment made by the Customer.

7. Withdrawal funds from the Client's account

7.1. The Client has the right at any time to withdraw funds (in whole and in part) from his Account by sending a corresponding application for withdrawal of funds to the Company.

7.2. Customer's application for withdrawal of funds must satisfy a number of conditions. Including:

7.2.1. The Client's request for withdrawing funds must be formed taking into account all the norms and restrictions of the current legislation of the countries under whose jurisdiction this transaction falls;

7.2.2. The Client's request must comply with the provisions of these Regulations, as well as other documents of the Company governing non-trading operations of the Client;

7.2.3. The Client's request must be created and sent to the Company through the Client's Individual Account. A request sent in another way is not accepted by the Company for consideration;

7.2.4. The Client is entitled to dispose of funds only in the amount of the balance of his Account at the time of sending the request for withdrawal of funds;

7.2.5. If the Client's request for withdrawal of funds indicates the amount that exceeds the balance of the Client's Account at the time of sending the request (taking into account all fees, deductions and mandatory payments established by these Regulations and / or the Company), the Company has the right to refuse to execute such an order;

7.2.6. The withdrawal of funds is carried out in the same way as the deposit of the Client's account was made. At the same time, the Company reserves the right to limit the amount of funds debited to a payment instrument to the amount deposited on the balance of the Client Account from this payment instrument;

7.2.7. The Company has the right to withdraw funds of the Client to a payment instrument different from the one from which the Client deposited the Account Balance. The Company makes this decision in each case individually and at its own discretion. In this case, the Client is obliged to provide all the information requested by the Company (details, etc.) on other payment documents.

7.3. To provide services for the execution of the Client's request to withdraw funds to the Client's External Account, the Company has the right to attract third parties (Agents).

7.4. A request for withdrawal of funds is executed by the Client in the currency of the Account. If the account currency is different from the transfer currency, then the debiting will be made in the account currency. At the same time, the funds are converted into the account currency at the exchange rate that was set by the Company at the time of its debiting operation.

7.5. The amount of obligatory payments, commissions and other costs during the operation to withdraw funds of the Client, as well as the conversion rate, are set by the Company and can be changed unilaterally at any time. In this case, the conversion rate may differ from the rate set by the central banks of countries, as well as from the market exchange rate.

7.6. The currency in which the Company transfers to the Client's External Account (based on the currency of the Client's Account and the Method of debiting) can be reflected in the Client's Individual Account.

7.7. Payment system providers may establish cases in which funds are credited to the Customer's External Account in a currency other than the currency of the External Account.

7.8. The Company has the right to regulate the amount of withdrawal of funds of the Client, as well as to establish the limits of such amounts (maximum and minimum), depending on the debiting currency, account currency and / or the method of transaction by

the Client. Such restrictions may be reflected in the Client's Personal Account at the time of submission by him of an order from the Company to withdraw funds.

7.9. On the application for withdrawal of funds received from the Client, the Company shall make a decision within 7 (seven) days from the date of its receipt, except if:

7.9.1. The company has detected signs of a suspicious transaction in accordance with the provisions of this Regulation;

7.9.2. There are interruptions in the operation of software, electricity, as well as other failures of a technical nature that affect the time period for the Company to make a decision.

7.10. In case the funds were not received on the External Account of the Client within the period established by clause 7.9. of these Regulations, the Client has the right to contact the representatives of the Company in order to find out the reasons for this situation.

7.11. If the Client made a mistake in the details when issuing an order to withdraw funds, as a result of which the funds were not received on the Client's External Account, the consequences in the form of additional payments (costs, commissions, deductions, etc.) are the Client's responsibility and are paid for his score.

7.12. If the Client's income exceeds the deposit amount, the withdrawal of such income to the Client's External Account is possible only in a specially established manner agreed by the Parties.

7.13. If the Client deposited the balance of the Account in a certain way, and the procedure for withdrawing funds differs from the procedure established by clause 7.1. of these Regulations, the Company has the right to withdraw the amount previously credited by the Client in the same way at the time determined by the Company unilaterally.

8. Withdrawal Methods
